<b>AUDIO/VISUAL</b>	This team supports the worship experience by presenting on-screen A/V communications for each worship service. Because these communications are a support mechanism whose only function is to enhance and never distract from the delivery of the Message, careful creation, preparation and presentation must be a team effort.			<b>Jim Masterson</b> <a href="mailto:jfmaster@yahoo.com">jfmaster@yahoo.com</a> <b>262-560-0616</b>
	<b>Creation:</b> Utilize installed software to create graphics, text and sound supporting the theme and music selection for the service.	Weekly prior to the next Worship service. Time/day may be selected by volunteer.	OSELC
