<b>HOSPITALITY</b>	The Hospitality Team organizes the preparation and serving of food for various church functions, such as meetings, funerals and special services. Our mission is to help members and friends care for each other through food and fellowship. We are looking for volunteers who love to serve God through food! To enjoy cooking and/or baking for small and sometimes large groups is the only requirement.			<b>Martha Gatchel</b> <b>262-966-3376</b> <b>bmlaajg@aol.com</b>
