Think about the places you tend to "hang out" on a regular basis: home, neighborhood, coffee shop, market, soccer field, classroom, work...

Who is there that you may never have "seen" as a potential friend. Maybe you don't even know their name yet!

Write your "hangouts" in the top green section; then put names in the bottom white section.

Who do you know who is going through a difficult time?

Who can you serve in Jesus' name?

Is there some place outside of Our Savior's Church where you could invest your time and heart in the hopes of building bridges of friendship?

Write your answers in the coordinating circles.

Is there a painful experience in life which you've grown by God's grace (e.g. divorce, loss, illness)?

Pray and ask if God might be calling you to come along side someone else who is experiencing pain today.

If so, ask God daily to guide and lead you.

Write the name of the person you could help in the circle.
