PILLARS AND CATERPILLARS SUBMITTED BY MARY MINICH

It's been said that there are two kinds of people in church; pillars and caterpillars. The pillars hold up the church and caterpillars simply go in and out.

When I first heard that, I accepted the obvious meaning. The caterpillars are the bad guys and pillars are the good guys. But the more I thought about it, the more I wondered. Some pillars do no change. Some are made of stone. Sometimes people get so intent on holding up the church that they become too set in their ways. They might even unintentionally keep the church from advancing.

Please arrive 10-15 minutes prior to your scheduled worship service. Meet in the Chapel to sign in and participate in a group prayer with Pastor Tom. If you are unable to serve at the Worship Service for which you've been scheduled, please arrange for a substitute and notify Deb Nollen at dnollen@oursaviorshartland.org or (262) 367-6000, ext. 19.

(Pillars and Caterpillars continued from page 6)

Caterpillars, on the other hand, are alive, as long as they keep going in and out, in to receive the Sacraments and out to spread the Good News in the world. They are moving and changing and "becoming." We all know what happens to Caterpillars. The big change comes when they break out of the cocoons and lift their lovely wings.

So it goes both ways. The Pillars would profit by adding "cater" to their name, and the caterpillars should remember that their last name is "pillar" and they need to do their share of the upholding so there will be a church to go in and out of!
