Holy Communion

We welcome all to receive Christ's body and blood at the altar, regardless of age or church background. Infants and children whose families consider them too young for communion or those who do not wish to commune because of conscience or questions are invited forward to receive a blessing.

Nursery

It is a blessing to see babies and children together at Worship with their families on Sunday mornings! However, our supervised nursery is provided on Sunday mornings for parents who feel their children may need a little extra attention during the service. Parents are encouraged to bring their children forward with them for communion.
