God's vision for Our Savior's Evangelical Lutheran Church

Our Core Values, which shape everything we do, continue to be:
"Bible Based, Saved by Grace, Serving with Jesus Every Place."

Our primary focus for future direction:

1. **Life-Giving Weekly Worship**-The weekly worship gathering is the core reason we exist as a church.
2. **Service Adventures with the Poor and the Poor in Spirit**-We believe that God transforms us through personal relationships with the poor, the wounded and the weak, who so often reveal God's richness, health, and strength.
3. **Enriching and Renewing Christian Households and Marriages**-God created human beings with a deep longing for intimate bonds. Research has shown that stable, loving families are the optimal environment for children's health and the development of society. Therefore, we believe that our church should do everything possible to strengthen families & enrich marriages in our community.

Holy Communion

We welcome all believing Christians to receive Christ's body and blood at the altar, regardless of age or denominational background. Infants and children whose families consider them too young for communion or those who do not wish to commune because of conscience or questions are invited forward to receive a blessing. *Please take an empty cup from the drawer and proceed to the server.* Prefilled cups of white grape juice are available as an alternative to wine. During an Intinction service, the communion assistant will also have a clear wine chalice with white grape juice.

Nursery

It is a blessing to see babies and children together at Worship with their families on Sunday mornings! Our supervised nursery is provided on Sunday mornings for parents who feel their children may need a little extra attention during the service. Parents are especially encouraged to bring their children forward with them for communion. Children not yet receiving communion will receive a blessing.
