Postlude		

Merry Christmas!

When God chose to enter the world as a tiny, fragile human baby, it was the greatest gift of all time. God, the creator of everything, became human, for us! We call this the incarnation, God made flesh in the person of Jesus. "In the beginning was the Word and the Word was with God and the word was God... all things came into being through Him... And the Word became flesh and dwelt among us." (John 1)

This Christmas, as we celebrate the birth of Jesus, a gift given for all of us, we give thanks for your participation in the life of this congregation. As we look back at this last year, we are so grateful for your gifts of time, talent, and treasure. Together, we have made a difference in our church, in our neighborhood, and in the world. We give thanks for the way that you live out the gifts of the incarnation and share the good news out in the world.

As you celebrate this wonderful day, our hope and prayer for you is that you can feel and experience the Joy that this child in the manger brings to your life. This baby-heaven sent-was born for you! May God bless you as you celebrate the Joy of Christmas!

In Christ,

P. Matthew

Pastor Jim
